## Past and Ongoing Events

### Network Security Incident Letter Notifications

Last Monday, the City began notifying (by USPS mail) people whose personal information may have been accessed and/or acquired as a result of the network security incident that occurred on or about Nov. 14, 2023. While there is no indication that any information has been misused for the purpose of committing fraud or identity theft, these notifications are mandated by law and are being sent out of an abundance of caution to ensure that those affected have the necessary information, tools, and resources to protect their personal information. For questions, more information, and resources, please call the confidential call center at (888) 802-9667 (available M-F, 6 am to 6 pm). To read the full press release which includes an update on the incident investigation, please visit this [link](#).

## And Finally...

### Councilman Supernaw's 10-Year Anniversary

Thanks to our terrific CD4 staff who surprised me with celebratory balloons at Tuesday's city council meeting. It was the 10th anniversary of my official swearing in that took place in the City Clerk's office on April 22, 2015 (see attached photo). My "ceremonial" swearing in by Supervisor Don Knabe took place two weeks later on Cinco de Mayo in the former city council chamber. Special thanks to Councilwoman Kristina Duggan for her congratulatory comments (along with the "Go Fourth!" graphic) at the close of Tuesday's meeting.
