EXHIBIT A

The City of Long Beach Small Business Enterprises (SBE), Very Small Business Enterprises (VSBE) and Local Small Business Enterprise (LSBE) Program (the "Program").

1.0 Applicability

The Program shall apply to all applicable construction contracts, professional services contracts, and procurement activities undertaken by the following City Departments: City Manager, Development Services, Financial Management, Fire, Health and Human Services, Human Resources, Library Services, Long Beach Airport, Parks, Recreation and Marine, Police, Public Works, and Technology Services funded with City general fund revenues and/or state or federal funds, except those subject to 49 CFR 26, "Disadvantaged Business Enterprises (DBE) Program" or those requiring compliance with the City's Section 3 program. The Department of Gas and Oil is exempt, The Program shall not apply to projects or purchases using Tidelands funds or funds from the South East Resource Recovery Facility (SERRF) or projects performed by oil contractors Thums and Tidelands, or projects funded with gas or oil revenue.

2.0 Definitions

2.1 A "Subcontractor" is defined as an individual, firm, or entity having a direct contract with the prime contractor or with any other subcontractor to perform a portion of the subject contract. A subcontractor must have a valid State of California Contractor's License to the extent required by law.

2.2 A "Vendor/Supplier" is defined as an individual, firm, or entity providing materials or supplies directly to the subject contract. For a prime contractor to receive participation credit for utilizing an SBE/VSBEL/LSBE vendor or supplier under the City's SBE/VSBEL/LSBE Program, the materials/supplies must be directly applicable to the subject contract or City facility.

2.3 A "Commitment Plan" is defined as a form in which a prime contractor, or prime consultant completes to show their SBE, VSBE, LSBE contracting participation percentage and dollar amounts.

2.4 An "Administrative Reconsideration" is defined as an official review of a bid or proposal that has been deemed non-responsive by the City that is requested within three business days by the proposer or bidder.

2.5 A "Participation goal" is defined as a set amount of SBE, VSBE, LSBE usage that is determined by the Business Relations Bureau Manager or his designee that has to be met on a construction project or a professional services contract

2.6 A "Good Faith Effort" is defined as a document where a contractor or consultant must demonstrate his or her efforts to obtain SBE, VSBE, and LSBE participation.

3.0 Policy

3.1 The City shall promote utilization of Small Business Enterprises (SBEs), Very Small Business Enterprises (VSBEs) and Local Small Business Enterprises (LSBEs) on construction contracts, professional services contracts, and purchase orders.

3.2 The goal of the Program is to provide the City with more competition, lower costs, and better community participation by reducing barriers to small and local business participation in the City's contracting and procurement process.

3.3 The Program shall be administered in a streamlined and cost effective manner by the City's Business Relations Bureau Manager, and the appropriate bureau managing director.

3.4 For the Department of Parks, Recreation and Marine, VSBE participation will not be tracked separately from SBE participation, due to the large number of small contracts (less than \$100,000) and the administrative costs of tracking SBEs and VSBEs separately.

4.0 Program Structure

The Program was established by an ordinance adopted on by the City Council of the City of Long Beach, and became effective on _____.

5.0 Program Applicability to Non-SBE Firms, SBE Firms and VSBE Firms

5.1 Non-SBE prime contractors/consultants/vendors shall meet the combined SBE/VSBE/LSBE participation goal, or document and submit an acceptable Good Faith Effort, for their bid or proposal to be deemed responsive.

5.1.1 The Department of Public Works shall identify and may exempt from the requirements of this Program any project requiring compliance with the City's Section 3 Program, established by federal court consent decree. In cases where a determination is made to exempt a project due to the Section 3 requirements, submission of a Good Faith Effort shall not be required for a bid or proposal to be deemed responsive.

5.2 SBE prime contractors/consultants/vendors, certified through the City's online SBE/VSBE/LSBE database and verified by the City, are deemed to have met the SBE component of the combined SBE/VSBE/LSBE participation goal, but shall meet the VSBE component for the goal, or document and submit an acceptable Good Faith Effort, for their bid or proposal to be deemed responsive.

5.3 City-certified SBE prime contractors/consultants/vendors who also qualify as a Very Small Business Enterprise (VSBE) based upon the Business Relations Bureau Manager's review of qualifying information are deemed to have met both components of the combined SBE/VSBE/LSBE participation goal.

5.4 The City encourages all prime contractors/consultants/vendors to utilize small business subcontractors and subconsultants, whether at a first tier or lower tier sub level, as well as vendors and suppliers. Lower tier subs and vendors/suppliers must provide services/materials directly related to the project or they will not qualify to meet the goal.

6.0 SBE, VSBE and LSBE Eligibility

6.1 SBE eligibility is determined utilizing federal U.S. Small Business Administration (SBA) size standards, based on North American Industrial Classification System (NAICS) codes. The current table of size standards can be accessed on the SBA website at **www.sba.gov/content/table-small-business-size-standards**. Examples of maximum gross annual revenue averaged over the past three years to qualify as an SBE: general contractor \$33.5 million; specialty trade contractor \$14.0 million; engineering services \$4.5 million.

6.2 VSBE eligibility is determined utilizing maximum allowable annual gross revenues consistent with those of the State of California's Department of General Services' "micro-business" designation.

6.3 Local Small Business Enterprise (LSBE) eligibility shall be determined by the criteria established in section 2.84.030 of the municipal code, subdivisions (1) and (2), in addition to the SBE eligibility criteria described in section 5.1, above.

7.0 Annual SBE/VSBE/LSBE/LSBE Goals, Individual Contract Goals, Division Goals

7.1 The annual City-wide SBE/VSBE/LSBE goals for participation shall be determined by the Director of Financial Management or his or her designee at the beginning of each fiscal year.

7.2 In order to meet the established goals, the Project Manager for each contract will consult with the Business Relations Bureau Manager. Goals may be adjusted due to the number of qualified SBE/VSBE/LSBE firms available to provide the required services. If the dollar value of the work elements of a contract that can be performed by SBEs, VSBEs and/or LSBEs is high, the contract will have a higher SBE, VSBE and/or LSBE participation goal than one where only a small portion of the work could be competitively performed by SBEs, VSBEs or LSBEs.

7.3 The following is a method for determining SBE/VSBE/LSBE contract goals. Starting with a detailed cost estimate for each contract, the contract Project Manager will identify the types and amounts of work to be performed in the contract using universal codes established by the North American Industrial Classification System (NAICS). The Business Relations Bureau Manager will research government and City databases and locate potential small businesses for each work discipline. The goals are then established based on two factors: (1) the number of SBEs/VSBEs/LSBEs available to perform a work discipline; and (2) the amount of work in the contract scope that the discipline represents.

7.4 For City contracts that do not have an assigned contract-specific SBE/VSBE/LSBE goal, additional targeted outreach to SBEs/VSBEs/LSBEs will be conducted, and every effort will be made to award the work to a small business.

7.5 Certain categories of work are exempted from the Program requirements for compelling reasons after consultation with the Business Relations Bureau Manager.

8.0 City's SBE/VSBE/LSBE Database: Vendor Registration and SBE Certification

8.1 All firms (large and small) wishing to do business with the City are strongly encouraged to register with the City's online database. Vendor registration is relatively simple and quick. A link to vendor registration is provided from the SBE/VSBE/LSBE Program page on the City's website.

8.2 All SBE/VSBE/LSBE firms listed on a City contract (prime contractor/consultant, subcontractors/subconsultants, vendors and suppliers) are required to register with, and obtain SBE certification from, the City's online vendor database, in order to receive credit toward the established SBE/VSBE/LSBE goal for that contract.

8.3 For the prime contractor/consultant to receive credit for a small business as part of the prime's commitment to meeting the established SBE/VSBE/LSBE goal for a contract, the SBE must be certified by the due date of the prime's SBE/VSBE/LSBE Commitment Plan.

8.4 To apply for VSBE status, the small business must check the "VSBE" box on its online SBE certification application and input a valid State issued certification number. Separate VSBE certifications will not be issued. The City will determine VSBE eligibility at the time of review of the prime contractor's/consultant's SBE/VSBE/LSBE Commitment Plan.

8.5 Prior to contract award, SBE, VSBE and LSBE status shall be verified and may be audited by the City.

9.0 Bidders' Commitment to Meeting the Established SBE/VSBE/LSBE Participation Goals

9.1 All construction contract bidders shall submit a completed SBE/VSBE/LSBE Commitment Plan for Construction Contracts indicating the dollar value and percentage of SBE/VSBE/LSBE contract participation.

9.2 The City may, in its discretion, allow bidders up to three (3) additional business days to submit Good Faith Effort documentation. A bidder that does not meet the SBE/VSBE/LSBE participation goals and does not submit its GFE documentation is declared non-responsive and may forfeit its bidder's bond. (Please refer to section 11.0)

9.3 If all three lowest bidders are declared non-responsive, the fourth-lowest bidder shall submit its SBE/VSBE/LSBE Commitment Plan within 48 hours of written request by the City. The bidder's Commitment Plan will be evaluated by the Business Relations Bureau Manager. If the bidder does not meet the combined SBE/VSBE/LSBE participation goal established for that contract, the bidder shall submit a Good Faith Effort documentation within 48 hours of request by the City.

9.4 Bidders that do not meet the SBE, VSBE or LSBE participation goal shall be deemed non-responsive unless they demonstrate that they have made an acceptable Good Faith Effort to meet the SBE/VSBE/LSBE participation goals.

9.5 Within three business days of being informed by the City that a firm is non-responsive because it has failed to meet the SBE/VSBE/LSBE participation goal and has not documented an acceptable Good Faith Effort (GFE), the bidder may request administrative reconsideration. The bidder shall make this request in writing to the Business Relations Bureau Manager who will serve as the SBE Reconsideration Official. The SBE Reconsideration Official will not be involved in the initial evaluation of the bidder's GFE. Contractors shall forfeit their right for reconsideration if they fail to act within three business days.

9.6 The reconsideration process provides an opportunity for the affected bidder to meet with the SBE Reconsideration Official to discuss the basis of the City's determination of non-responsiveness. The SBE Reconsideration Official will send the affected bidder a written decision on reconsideration, via certified mail, explaining the basis for finding that the bidder did or did not meet the participation goal or demonstrate an acceptable Good Faith Effort.

10.0 Proposers' Compliance with SBE/VSBE/LSBE Participation Goals

10.1 All proposers shall submit, with their proposal or Statement of Qualifications, a completed Commitment Plan for Professional Services Contracts, indicating the estimated dollar value and percentage of SBE/VSBE/LSBE contract participation. This will demonstrate the proposer's ability or intent to meet the SBE/VSBE/LSBE participation goals.

10.2 If, during the evaluation process, the City finds that the proposer was unable to show ability or intent to meet the SBE/VSBE/LSBE goals assigned to the project, the proposer will be required to submit a Good Faith Effort in order to continue in the selection process.

10.3 Consultants shall indicate SBE/VSBE/LSBE participation levels prior to receiving authorization for a work task.

10.4 After negotiations have been completed and the Consultant contract is executed, achieving the SBE/VSBE/LSBE goal is a contractual commitment and can only be altered with written approval of the Business Relations Bureau manager or his designee, for unusual instances such as a change in scope of services.

11.0 Bidder and Proposer Compliance with Good Faith Effort Evaluation Criteria

A bidder/proposer whose bid or proposal fails to meet the SBE, VSBE or LSBE participation goal shall be found responsive if an acceptable Good Faith Effort is demonstrated. The following criteria shall be used in evaluating a bidder's/proposer's GFE:

11.1 Attend Pre-Bid/Pre-Proposal Meeting: The bidder/proposer submitted written evidence that he/she attended the pre-bid conference or pre-proposal meeting.

11.2 Subdivide the Work: The bidder/proposer prepared and followed a plan to subdivide the work into disciplines or work elements that could be economically performed by small businesses. It is the bidder's/proposer's responsibility to demonstrate that sufficient work was made available to SBEs, VSBEs and LSBEs to meet contract requirements.

11.3 Advertise: The bidder/proposer submitted written evidence of commercial advertising for small business subcontractors/subconsultants at least 14 calendar days prior to the bid/proposal due date. A copy of the advertisement showing the advertisement date(s), name of publication, type of work and amount of work that is being solicited, must be provided.

11.4 Use Public Databases: The bidder/proposer submitted written evidence of using the City's SBE/VSBE/LSBE database, shall business, minority business, and women-owned business associations, and chambers of commerce to help solicit subcontractors.

11.5 Provide Relevant Information to Small Businesses: The bidder/proposer submitted written evidence that he/she has provided interested small business with information about the requirements of the contract, and how to obtain plans and specifications, at least 14 calendar days prior to the bid/proposal due date or as specified by City SBE staff.

11.6 Directly Solicit Small Businesses: The bidder/proposer submitted written evidence of directly soliciting for small business subcontractors/subconsultants. A copy of the written notices sent directly to SBEs, VSBEs and LSBEs must be provided. A direct solicitation should include the type of work, amount of work, and a brief specific description of the work being solicited.

11.7 Conduct Follow-Up: The bidder/proposer submitted written evidence of specific activities used to follow up initial solicitations in preparing the bid/proposal.

11.8 Offer Assistance: The bidder/proposer demonstrated that he/she has offered to assist small businesses in obtaining bonding, insurance or equipment.

11.9 Negotiate: The bidder/proposer submitted written evidence that he/she has negotiated in good faith with interested small businesses. Documentation must include company name, contact person, method of contact, and specific items that were negotiated (scope of work, materials, equipment, insurance, bonding, personnel, timing of project, etc.).

11.10 Document Bid and Negotiation Results: For any negotiations which were unsuccessful and/or bids/proposals received but not accepted, the bidder/proposer submitted the unsuccessful bidder's/proposer's company name, telephone number, contact person, price bid (if applicable), and the reason for rejecting the bid or proposal. If price is the reason for rejecting the bid/proposal, list the price bid by both the SBE/VSBE/LSBE and the low bidder for that element of work.

Each of the 10 criteria will be assigned 10 points. The bidder/proposer must achieve a score of 70 out of a possible 100 points in order for the Business Services Manager to determine that the bidder/proposer has made an acceptable Good Faith Effort (GFE).

For detailed GFE submittal instructions and specific examples, log on to www.longbeach.gov/purchasing, click on the SBE Program link and click on the "Good Faith Effect Evaluation criteria and Submittal Instructions."

12.0 Utilization/Substitution of SBEs/VSBEs/LSBEs on Construction Contracts

12.1 During the term of the contract, the prime Contractor shall be required to utilize all Subcontractors (as defined in Section 2.0 of this document) listed on its SBE/VSBE/LSBE Commitment Plan in the amount and percentage specified on the form. Any SBE/VSBE/LSBE subcontractor substitution will require prior written approval by the appropriate City division director, and must meet all State laws and statutes.

12.2 All Subcontractors listed on SBE/VSBE/LSBE Commitment Plan, who defined work is greater than ½ of one percent of the prime contract value, must be listed on the bidder's list of Subcontractors submitted with the bid documents. If an SBE/VSBE/LSBE Subcontractor is added after submittal of the bidder's list of Subcontractors, the bidder shall follow Subcontractor listing/substitution procedures pursuant to Public Contract Code 4107 et al.

12.3 If a prime Contractor substitutes an SBE/VSBE/LSBE vendor/supplier, the Contractor shall provide proof, to the satisfaction of the appropriate City division director, that a good faith effort was made to replace that vendor's/supplier's participation percentage with another SBE/VSBE/LSBE firm, to meet the combined SBE/VSBE/LSBE participation percentage specified on the Contractor's SBE/VSBE/LSBE Commitment Plan. At project close-out, if the prime Contractor fails to meet the combined SBE/VSBE/LSBE participation percentage specified on its SBE/VSBE/LSBE Commitment Plan, or fails to provide proof that it made a good faith effort to do so, the Contractor may be considered to be in material breach of contract (refer to Section 16.0).

13.0 Utilization/Substitution of SBEs/VSBEs/LSBEs on Professional Services Contracts

13.1 During the term of the contract, the prime Consultant shall be required to utilize all subconsultants listed on its SBE/VSBE/LSBE Commitment Plan, unless the City approves a change in scope of work that would eliminate or reduce the utilization of an SBE, VSBE or LSBE subconsultant. Any SBE/VSBE/LSBE subconsultant substitutions require prior written approval by the appropriate City division director.

13.2 If a prime Consultant substitutes an SBE/VSBE/LSBE vendor/supplier, the Consultant shall provide proof, to the satisfaction of the Business Relations Bureau Manager or his designee, that a good faith effort was made to replace that vendor's/supplier's participation percentage with another SBE/VSBE/LSBE firm, to meet the combined SBE/VSBE/LSBE participation percentage specified on the Consultant's SBE/VSBE/LSBE Commitment Plan.

14.0 Contract Amendments

If the City approves a change order or contract amendment, the SBE/VSBE/LSBE participation goals may, at the sole discretion of the appropriate City division director, apply to the change order or contract amendment. If the additional work can be performed by SBEs, VSBEs or LSBEs that are already part of the Contractor's/Consultant's team, the SBE/VSBE/LSBE participation goals shall apply to the entire contract, including the amendment.

15.0 Contract Monitoring

15.1 The prime Contractor/Consultant shall report the dollar value of payments to small businesses on a monthly basis and at project close-out. This data will be verified. Construction contractors shall submit a completed SBE/VSBE/LSBE Monthly Utilization Report for Construction Contracts, and consultants shall submit a completed SBE/VSBE/LSBE Monthly Utilization Report for Professional Services Contracts.

15.2 If a firm's SBE, VSBE or LSBE status changes prior to contract award, the firm will not receive SBE/VSBE/LSBE status for that City contract.

15.3 If an SBE, VSBE or LSBE firm listed on a prime Contractor's/Consultant's SBE/VSBE/LSBE Commitment Plan loses its SBE or VSBE status prior to contract award, the Contractor/Consultant shall replace the affected SBE/VSBE/LSBE dollar amount/percentage and shall submit for approval, a revised Commitment Plan, in order to proceed with contract award.

15.4 If a firm's SBE, VSBE or LSBE status changes during the term of a contract, work performed on that contract after the firm loses its certification will continue to be credited toward meeting the SBE, VSBE or LSBE participation goal. However, the firm will not be able to receive SBE/VSBE/LSBE status on subsequent City projects unless the firm is subsequently re-certified as an SBE, VSBE or LSBE.

15.5 Substitution of any SBE, VSBE or LSBE subcontractor/subconsultant listed on a prime Contractor's/Consultant's SBE/VSBE/LSBE Commitment Plan must be approved by the Business Relations Bureau Manager.

15.6 {For Construction Contracts only} Nothing herein shall be construed to supersede or limit the requirements for contractor substitutions provided in Section 4100 et seq. of the California Public Contract Code.

15.7 The Construction Manager, Project Manager, Business Relations Bureau Manager, or their designee may conduct site visits and subcontractor/subconsultant/vendor/supplier interviews and telephone calls to verify proper and full utilization of SBEs, VSBEs and LSBEs to meet contract requirements. Prime contractors/consultants/vendors and SBEs/VSBEs/LSBEs shall fully cooperate with such monitoring.

16.0 Contract Compliance

16.1 The Prime Contractor/Consultant may be considered in material breach of contract for any one or more of the following violations:

16.1.1 Failure to submit, in a timely manner, a SBE/VSBE/LSBE Monthly Utilization Report

16.1.2 Failure to correct discrepancies found on SBE/VSBE/LSBE Monthly Utilization Report;

16.1.3 Falsifying or misrepresenting any information provided to the City, including information provided on the City's online SBE/VSBE/LSBE database;

16.1.4 Substituting a SBE/VSBE/LSBE subcontractor/subconsultant without prior written City approval; and/or

16.1.5 Failure to meet the committed SBE/VSBE/LSBE participation percentage as listed on the prime's commitment plan.

16.2 In addition to any other remedy the City may have under the Contract or by operation of law, the City, in its sole discretion, may impose any or all of the following provisions against Contractor/Consultant determined to be in breach of contract.

16.2.1 Assess the cost of the City's audit of the books and records of the Contractor/Consultant, subcontractors/subconsultants, and all other firms claiming SBE, VSBE or LSBE status, where such audit is necessary because the Contractor has failed to timely submit a required SBE, VSBE or LSBE program report;

16.2.2 Withhold payment up to ten percent of a monthly progress payment until the Contractor/Consultant is brought into compliance.

16.3 Within three business days of written notification of the intent to enforce any of the measure described above, the Contractor/Consultant may submit in writing a request for an administrative hearing conducted by the City's SBE Reconsideration Official, as defined in Section 9.0.

17.0 Small Business Facilitation

17.1 To the extent practicable, the City will endeavor to disassemble larger construction and procurement projects into contract packages of \$15 million or less. This amount is estimated to be the current bonding limit of heavy construction SBEs.

17.2 The City will conduct pre-bid meetings for individual construction projects between advertisements and bid openings. These will provide opportunities to raise questions

about the SBE/VSBE/LSBE Program, plans and specifications, and will also provide an opportunity for primes, subcontractors, vendors and suppliers to meet.

17.3 The City will conduct training forums for SBEs, VSBEs and LSBEs interested in providing contracting and/or consulting services to the City.

17.4 The City will conduct periodic Good Faith Effort/small business outreach training for prime contractors/consultants/vendors interested in working with the City.

17.5 The City will cooperate with other agencies in providing SBE/VSBE/LSBE contractor and consultant training.

17.6 The City will provide referral information to SBE/VSBE/LSBE contractors and consultants on available loan, insurance, and bonding programs that could assist small businesses.

17.7 The City will coordinate outreach activities with the appropriate Departments of the City of Long Beach.

17.8 The City will participate in business and vendor fairs directed at local and small businesses.

18.0 Periodic Review

18.1 City staff will seek periodic comments from City contractors, consultants, and small businesses on the effectiveness of the SBE/VSBE/LSBE Program.

City staff shall report to the City Council on the effectiveness and progress of the Program.
