

## **Administrative Guidelines for Neighborhood/Block Sales**

- Written consent is required from each resident participating in the block sale. This consent would allow the representative to include the resident address as a participant in the block sale.
- Each resident participating in the sale must submit a current piece of mail (i.e current utility bill or other piece of mail) to confirm residency.
- A map must be submitted indicating resident participation.
- One permit will be issued for each concurrent block (permits are \$17.00 each). Permits will be issued in the name of the representative obtaining the permit. All participating addresses will be noted on the permit.
- Complete information needs to be turned in to City Hall (2nd Floor Business License counter) no later than 2 weeks prior to the date of the sale. Any late entries will need to obtain their own permit. (This can be done at the local police substation).
- Participation in the block sale counts towards the resident's yearly yard sale limit.
