Sandblasting will be carried out on the exterior of the building(s), on the date(s), at the location and by the contractor noted below:

Date(s):_____ **Project Number:**_____

Job Address:_____

Name of Company:_____

Foreman:_____

Sandblasting will be conducted in accordance with Long Beach Municipal Code (LBMC) §18.64 - Sandblasting and National Pollutant Discharge Elimination System (NPDES) requirements.

LBMC §18.64 states in part:

- 1) Not less than forty-eight (48) hours prior to sandblasting, the Contractor conducting the sandblasting shall deliver a "Notice of Sandblasting" to each residence or business establishment within a one hundred (100) foot radius of all buildings or structures of the job address indicated above.
- 2) No person shall engage in "dry" blasting in the city without written permission.
- 3) No person shall engage in sandblasting before 8:00 a.m. or after 5:00 p.m. Mondays through Fridays and on Saturdays, Sundays, and legal holidays upon any structure which is within one hundred (100) feet of any occupied residential dwelling.
- 4) No person shall engage in sandblasting without first protecting adjacent property(ies), public street(s), and/or pedestrian walkway area(s) by erecting canvas or other suitable barriers sufficient to protect them from splashing or blowing sand or water.

NPDES requirements stipulate that no construction water or abrasive material of any kind shall be permitted to enter the storm drain system.

Note: It is recommended that all occupants of residential buildings within the one hundred (100) feet notification area close their windows during the day(s) the sandblasting occurs.
